Sponsor a Child Frequently Asked Questions (FAQs)

When will the funds be used?

The funds will be used once the school is actively operating. For the annual sponsorship, it will be activated from the month of commencement of the school. We are currently in the process of raising funds for staff salaries and rental of premises. We are hoping to start the school in 2016.

What is the 'Sponsor a Child' process?

STEP 1: View the website and identify a child/children whom you would like to sponsor.

STEP 2: Email Maitri Makan (maitri@colt.org.za) to confirm sponsorship of a child/children and any further details required about child and or family.

STEP 3: Complete 'Sponsor a Child' form which is available on the website. This can be completed in Microsoft Word, and then printed, signed and sent back via email / fax.

STEP 4: Email 'Sponsor a Child' form and copy of deposit slip to Karuna Whitebread, email karuna@colt.org.za

Can I be in contact with the family and receive progress reports about the child?

All the parents/caregivers of the children of this campaign have given consent to share progress reports to donors. If you wish to be in touch with the family of the child, this can be arranged.

When do I need to make payment?

The Children of Light Educare is a project of the Ananda Kutir Education Trust, a Non Profit organisation which relies on donor funding to sustain the school. If you commit to a sponsorship and timeframe, all payments need to be made on the 1st working day of each month.

What happens if I can no longer fulfil my commitment?

Should you for any reason be unable to fulfil payment, please communicate timeously with our treasurer, Karuna Whitebread, email karuna@colt.org.za
